SPRING GARLIC

Our determination to offer our customers the widest variety of products makes us introduce this variety of garlic as unique as excellent. Harvested a month earlier than the traditional garlic, it presents a bigger size and a milder taste.

BLACK GARLIC

As a result of our extensive experience working with garlic, we present the authentic black garlic. Made from the maceration of the bulbs in a controlled humidity environment, our premium product has a concentration of trace elements and vitamins ten times higher than the traditional garlic. Thus, Campelo prepares an excellent garlic that enhances the properties of fresh garlic removing itching and avoiding bad breath.
